

Software set-up and data download

Preparar o PC antes de começar a explorar o manual.

Software set-up

1- Faz o download da versão 3.16.4LTR do QGIS (32 bit or 64 bit, dependendo do sistema operativo que utilizas) a partir de: <https://qgis.org>

The screenshot shows the QGIS website with the 'Download for Windows' sidebar open. A blue arrow points from the 'Download Now' button on the main page to the 'Download for Windows' sidebar. The sidebar lists various installers, with the 'Long term release repository (most stable)' section highlighted in red, showing links for QGIS Standalone Installer Version 3.16 (64 bit) and QGIS Standalone Installer Version 3.16 (32 bit).

Download for Windows

QGIS in OSGeo4W:

- OSGeo4W Network Installer (64 bit)
- OSGeo4W Network Installer (32 bit)

In the installer choose **Desktop Express Install** and select **QGIS** to install the *latest release*.
To get the *long term release* (that is not also the latest release) choose **Advanced Install** and select **qgis-ltr-full**
To get the *bleeding-edge development build* choose **Advanced Install** and select **qgis-full-dev**

Standalone installers from OSGeo4W packages

Latest release (richest on features):

IMPORTANT NOTE: we are holding back further download of 3.18.0 Windows installer because of some serious issues found after release.
Download links below are disabled until we release 3.18.1 with fixes for these issues.
The 3.18.0 download is still accessible through the "All Downloads" tab (for testing purposes)

- QGIS Standalone Installer Version 3.18 (64 bit) sha256
- QGIS Standalone Installer Version 3.18 (32 bit) sha256

Long term release repository (most stable):

- QGIS Standalone Installer Version 3.16 (64 bit) sha256
- QGIS Standalone Installer Version 3.16 (32 bit) sha256

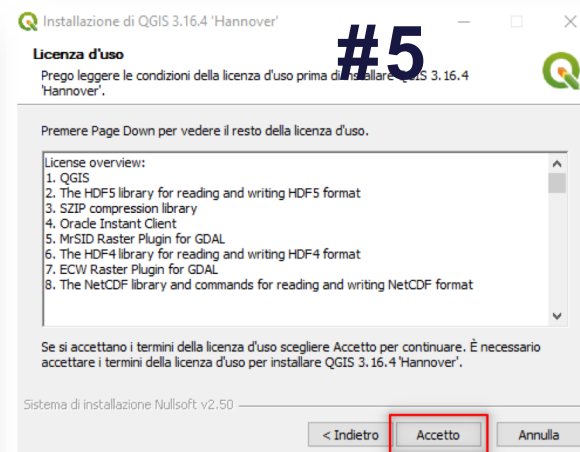

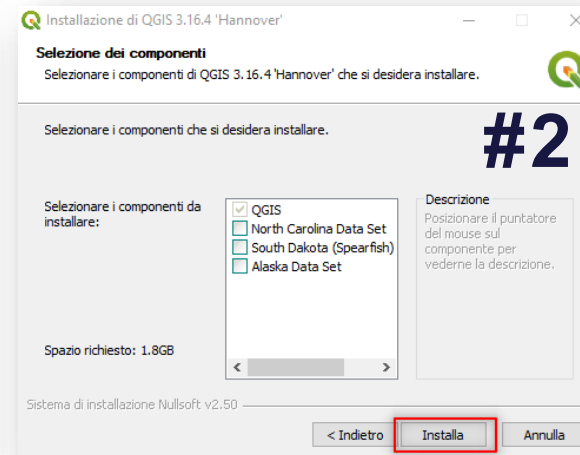

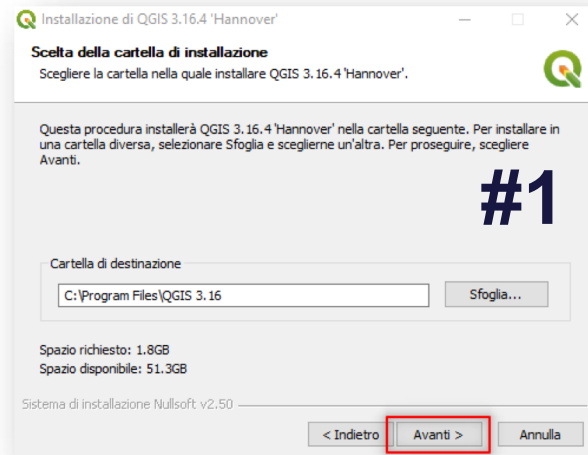

Download for macOS

Download for Linux

Software set-up

2- Instalação do QGIS

Dados/ficheiros necessários

Faz o download e descompacta no teu PC (ou pen drive) os ficheiros seguintes para os exercícios práticos que terás que desenvolver (também podes ir buscar à pasta de material do Teams).
